Annual Autumn Reunion

Rohilla Day 2013

Rohilla Day is the annual autumn reunion for all former Kingham Hill School pupils and staff. It is called Rohilla Day in memory of the Rohilla, a boat which was lost at sea in 1959. Her crew, comprising five KHS boys and their teacher, Colin Noble, were all killed.

This is an opportunity to come together to remember them and celebrate their lives and the lives of other members of the Kingham Hill community who have died this year. It is also the chance for former pupils of all ages to visit the Hill, renew acquaintances, build new friendships and have an enjoyable day on the Hill. Families are warmly welcome to attend.

This year, as well as the opportunity to hear from the Headmaster, Nick Seward, who will be speaking about the 2020 Vision Masterplan, there are two slots available for tours of the school. Both tours will last just under an hour and will include visits to selected boarding houses.

You are also welcome to wander around the Hill at your leisure, look at the exhibition of archive memorabilia or just sit and reminisce with friends over coffee.

The cost of lunch is £12.50 and payment can be made by cheque or over the phone by credit or debit card by calling Mrs Kim Quarterman on 01608 731831.
